SEO Plan

Primary SEO Themes

Use one main search theme per page to avoid keyword dilution.

- Home — Corporate ground transportation Southern Africa
- About — Corporate transport company South Africa
- Services — Airport transfers, chauffeur services, corporate transport, event transport
- Fleet — Executive transport vehicles
- Corporate Accounts — Business transport solutions
- Book page — Transport quote request
- Contact — Ground transport company South Africa

Secondary Keyword Themes

Use these naturally in headings, body text, and image alt text.

- Airport transfers South Africa / Johannesburg / Cape Town
- Chauffeur services South Africa
- Executive chauffeur South Africa
- Corporate transport South Africa
- Conference transport / event transport
- Shuttle services South Africa
- VIP airport transfers
- Meet and greet airport service
- Flight monitoring airport transfers
- Ground handling services
- Transport logistics South Africa
- Group transport South Africa
- Last-minute transport bookings
- 24/7 transport service

Local SEO Notes

- Set up a Google Business Profile
- Use consistent NAP (Name, Address, Phone) details everywhere
- Add separate pages for major service areas later (Johannesburg, Cape Town, etc.)
- Implement Service schema and LocalBusiness schema
- Ensure fast-loading mobile pages
- Collect client reviews and add fleet/operations images
